

# Delivery Plan

Theme	Project	Aim
Young People, Families and Anti-social Behaviour	<b>Targeted Intervention</b>	To develop further group and associational activities for young people at risk of anti-social behaviour, in conjunction with the establishment of the Family Intervention Programme.
Drugs and Alcohol	<b>Street Outreach</b>	To develop the existing Street Outreach programme to engage residents with a range of substance misuse issues in the neighbourhood.
	<b>Day Centre for vulnerable people</b>	To develop plans for a Day Centre for vulnerable people in the neighbourhood.
Night-time Environment	<b>Evening Events</b>	To contribute to plans for an improved evening environment through supporting cultural events benefiting local residents.
	<b>Seafront Pod</b>	To support the establishment of a seafront pod to respond to issues associated with the night-time environment.
Neighbourhood Reporting and Responsive Policing	<b>Reporting Site</b>	To develop the Neighbourhood Centre as a reporting site for low-level neighbourhood-based crime.
	<b>Co-ordinated community engagement</b>	To develop a clear protocol of community engagement under the umbrella of the Comeunity Forum.
